Subject: Regulation of Retail Forex 3038-AC61

David Stawick,

I think that the 10-1 leverage ruling 3038-AC61 is an outrage and an attack on capitalism , and America. This must not pass. As I have looked at the concepts in the proposed bill and I cannot find a single benefit to anyone for this action. If taken this action will just ruin American citizens from participating in this market in a fair and balanced manner.

Sincerely,

Jed Norwood
