Subject: Regulation of Retail Forex

To whom it may concern:

RIN 3038-AC61

I understand that the CFTC is considering new regulations on the retail forex market, particularly a change in leverage to 10/1. I strongly object to this new regulation and want this new regulation removed from your consideration. It is unnecessary and intrusive, and damaging to my trading efforts. It is an unwelcome attempt to "save me from myself" that will only curtail my personal trading.

Please don't allow this violation of my personal freedoms
