Subject: Regulation of Retail Forex

Dir Sir,

I'm a forex investor. Thank you for your efforts to *Strengthen* the Supervision of financial market. But I'm worried that the measure of limiting retail forex trading leverage to 10:1 will bring huge damage to both financial investors and american financial market. Also, the american employment rate and fiscal income would be affected badly. So, please think about it.

Thank you for your time.

Shaojun Wang
