Subject: Forex Leverage

With regard to the proposal to limit Forex customer leverage to 10-1 at U.S. brokerage houses. My money. My life. My risk. If the 10-1 leverage rule is passed I will move my business off-shore. If transnational trading is made more onerous by the CFTC. I will leave the U.S. and reside elsewhere. If I decide I need a financial nanny. I will certainly allow the CFTC to apply for that position. Thank you.
