Subject: Regulation of Retail Forex

RIN 3038-AC61

From: Ariel Lemont in Lawrence, Ma

Please do not continue with the mandatory regulation for guaranteed IB's.
IB's perform a valuable service to new traders such as myself to help me find the right broker that meets my needs.
This regulation does not protect the trader.

While the 10:1 leverage issue has received the majority of the attention this issue is very important as well.
Please change your position!
