---

Dear Sir!

By reducing the leverage Level to 1:10, You will be hurting the opportunity for making money for an ordinary person. I believe in freedom of choice. This should be the trader to decide the leverage. Please do not reduce the leverage level to that low. Shutting down the whole Forex System would be a better Idea than reducing the leverage to 1:10.  
RIN 3038-AC61.

Thanks and Regards,

Tanveer Iqbal.
