please leave the forex alone

I am retired and I had to retire early to take care of a sickly wife who recently passed away.  
by retiring early I cut my pension short....the forex allows me to make up the difference.

I can not physically work ...

.but i can earn some money on-line w/ the Forex...I have studied enough so I won't lose my money  
the fact is,,I guess I could play the lottery....where the odds are stacked against me

Thx Jim
