Subject: Regulation of Retail Forex

RIN 3038-AC61

Dear Mr. Secretary

I am writing to this message to voice my opinion in **objecting** to the reduction in leverage of forex trading. In my opinion the maximum 10:1 (ten percent) leverage under proposed regulations is much too low for viable forex trading.

Besides the negative effects to the forex traders, I believe the new leverage under proposed regulations are also not good for forex brokerages in the U.S.

Thank you very much for your attention and consideration.

Kind regards
Vidya Rozalia
