Subject: Regulation of Retail Forex - RIN 3038-AC61

David Stawick,
Secretary, Commodity Futures Trading Commission,

Please do not pass the new Regulation of Retail Forex, RIN 3038-AC61. As you are aware, this will force most US Forex Funded Accounts offshore to unregulated dealers. Not a good thing. I know I will open some accounts offshore, however I would much prefer staying in the US. I just cannot see how this will help the US and the white collar US jobs supporting this industry. I will Leave All US brokers to avoid this new rule if it is passed. Thank you for your time.
Kind Regards

Asit Patel
