Dear Mr Stawick,

I am forwarding this and another email to you for investigation. It appears that whoever sent this has been

collecting email addresses from the CFTC's Retail Forex comment file register. I will also forward it to Joseph Trevisani, at Fxsol.com in the US for him to also follow up.

This kind of behaviour is unethical and misrepresentative - the subject heading appears related to the CFTC's registers yet it has nothing at all to do with the CFTC. I have not opened either link, having a concern that there could be a security risk attached.

Please attend to this matter immediately.

Regards,
Sharon Glen.
