**Subject:** Regulation of Retail Forex

---

Dear Commodity Futures Trading Commission (CFTC),

I would like to voice my opinion your proposed regulation "RIN 3038-AC61".

I support your proposed regulation of the Forex market "**EXCEPT**" for the 10:1 leverage aspect. I don't support the 10:1 leverage proposal.

I feel that the leverage should be between me and my broker.

Thank you very much.

Jeff Sasser
