Subject: 'Regulation of Retail Forex'

RE: RIN 3038-AC61

Dear Secretary,

I am writing to you in objection to the proposed change to maximum leverage in the US retail forex market. I am able to earn a living and feed my family as a retail forex trader. Your proposed change to leverage will severely decrease my earnings and negatively impact my family. I respectfully request that you consider how this change will hurt American traders, their families, and the U.S. economy before you finalize your decision.

Sincerely,

Kbata Ndure
