Subject:

Dear secretary,

I do not support the proposed change to for ex leverage to 10/1. As a retail trader I currently have 100/1 and have done quite well with it in the past 4 years.

If some dumb ass traders blow their account due to poor management then that is their problem **NOT YOURS!**

It is time for the government to stay the hell out of our life...Get it!

Regards, Jamie DeHaven.
