CFTC Comments

Dear CFTC Comments:

Our tax dollars were used to bail out large Wall Street firms when they were on the brink of bankruptcy. It is these same institutions who gamble on oil and who continue to profit at every American's expense. Why are we as individuals constantly told to take personal responsibility for our actions and financial choices, while corporations are not only not held accountable for their poor investment choices but allowed to repeatedly make the same mistakes?? This is bltant hypocrisy!

Sincerely,

camille atkinson
