**To:** secretary <secretary@CFTC.gov>  
**Subject:** Disapproval of the planned Leverage Reduction

---

I am just a personal trader that trades my own account and completely disagree with the proposed change. Every trader has the right to determine his own risk.. Individuals are warned and alternative investments like FOREX are known as risky investments and should only represent a small percentage of a person's portfolio. Please seriously reconsider this measure as it is an individual's right to determine their own risk appetite.

*Best Regards,*
