Subject: regulation of retail forex

sir, as regards 'regulation of retail forex' id no RIN 3038- AC61 comments - kindly allow me register my dsipleaseure as regards your proposed reduction of margin for fx transactions amongst other meaures which obviously could be construed as moves to protect the smaller players but would only achieve the effect to stifle and restrict participation by creating an artificial barrier. kindly discontinue with such plans. efforts shd be geared towards expanding market participation and not otherwise. thank u. ola faseku. lawrenceville, GA30044
